Oklahoma Turnpike Authority

ADDENDUM NO. 2

to

Contract Number: RFP #2023-008

ADDENDA TO THE CONTRACT: Any addendum form is part of this contract. The original contract documents remain in full force and effect, except as modified by the addenda which shall take precedence over any contrary or conflicting provisions in the prior documents.

Each addendum must be acknowledged via email to Sue Daus at sdauz@pikepass.com prior to submittal of your bid.

The following items are addressed by this addendum:

Section 12: PLEASE STRIKE the entire Section 12 language and replace with the following.

12. PUBLIC AVAILABILITY TO RFP RECORDS:

All information submitted in response to this RFP is subject to the Oklahoma Open Records Act, 51 O.S. §24A.1 et seq., which generally mandates the disclosure of documents in the possession of the OTA upon the request of any person, unless the content of the document falls under a specific exemption to disclosure. If any Firm wishes to claim that any information submitted in its Proposal constitutes a trade secret, is proprietary or is otherwise exempt from disclosure under the Oklahoma Open Records Act, such Firm is required to identify such information by marking the specific information as “Confidential” and citing the applicable exemption. No information shall be labeled “Confidential” unless exempted under the Oklahoma Open Records Act.

Each firm shall submit two (2) copies of their Proposal: one (1) electronic copy via flash drive and one (1) hardcopy. If a Proposer claims and/or marks any portion of its Proposal as confidential, the Proposer must provide one (1) electronic copy in which the Firm has redacted each item of information that the Firm believes to be a trade secret or information that if disclosed would cause substantial injury to the competitive position of the Firm and is exempt from disclosure pursuant to the Oklahoma Open Records Act. The Firm must provide a brief justification for each redaction.

In the event information marked “Confidential” is requested for release under applicable law, the OTA may release such information ten (10) business days after the date of notice to the Firm of the request for release, unless the Firm has, within the ten-day period, secured a protective order, injunctive relief or other appropriate order from a court of competent jurisdiction, enjoining the release of the information. For the purposes of this paragraph, the day of the request for release shall not be counted in the time calculation. Firms will be notified of any request for such release on the same day of the request for public release or as soon thereafter as practical.

Notwithstanding the foregoing or the Firm’s submittal of the redacted copy of the Firm’s Proposal as required above, the OTA shall not, under any circumstances, be responsible for securing a protective order or other relief enjoining the release of information marked “Confidential,” nor shall the OTA be in any way financially responsible for any costs associated with securing such order or for any loss associated with the release of information marked confidential or otherwise. The OTA makes no representation or warranty as to the ability of any Firm to secure a protective order or other relief enjoining the release of information marked “Confidential.”
